Dear Parents

Our week got off to a flying start with class photos on Monday. The beautiful weather meant that the photos were taken outside and should be really special. I was the most photographed person that day as I stood in every class photo, as this is my last ever school photo shoot. Thank you for sending your children into school so neat and tidy.

Today Elm class gave us their first ever assembly, which I realise is fairly daunting for such little ones. They mixed book week and their mini-beasts topic to create 'Dear Zoo' with mini-beasts and sang some songs with Makaton.

Our Book Week has been wonderful and I think the children have thoroughly enjoyed themselves. The Reading Café taking place each morning in the Library has been a huge success and I know your children have loved reading with you and I hope you have too. The Scholastic Book Fair has been very well attended and lots of you have bought some wonderful books.

Thank you for supporting us by buying the books.

If you are experiencing difficulty in getting your child to school on a daily basis, it is important that you tell us. Come to the school office and ask for the Attendance Officer. We will always try to help.

Have a wonderful half term and remember, we get an extra long break this holiday - back Thursday 8th June.

#### From the Sports Desk

Year 6 Boys Cricket at Old Woking Cricket Club:  
Our Year 6 team played outstandingly well in their first cricket tournament finishing 5th out of 16 schools. The standard of Cricket was incredibly high. Well done to all that played. Our captain Amaan lead the team very well.

### Student Voice

We hear what have been the highs and lows from a Chestnut pupil this week:-

**PE** – we've been learning tennis skills and had fun doing different activities.

**English** – we've looked at lots of books and each had a chance to choose one that the teacher read to us and then asked us questions on what we remembered.

**Maths** – we've learnt about measuring and completed worksheets with lots of lines to measure – I didn't enjoy that much!

**Art** – has been great fun making paper sculptures.
