NEWSLETTER  
4

Dear Parents,

I am delighted to let you know that Surrey Arts are now coming to Sythwood every Monday morning and are able to offer a limited number of children the opportunity to learn the piano. The lessons will take place during the school day but a fee will be payable. Places are strictly limited so please refer to the Surrey Arts website for more details.

Exciting learning has been continuing across the school. Nursery children have been learning about 'the same and different' and were given the challenge to find their partner who had the same patterned sock.

As I mentioned in my letter last week, on Saturday children from schools across Woking gathered in our copse for a very special Forest School day which introduced the children to the environment, gave them the chance to play games, make musical instruments and even make their own lunch. All the children involved had a wonderful day and the event was a huge success. We are so lucky to have access to fabulous open spaces nearby, such as Horsell Common and Woking Park, so why not get out and have your own outdoor adventure with your children.

Extra-curricular clubs started this week and the children are all making the most of the opportunity to learn new skills and have fun after school.

As always, we welcome your feedback. We have now finished all of our start of year meetings to meet the Senior Leadership Team and Year Group Teams. If you attended any of these meetings, we would welcome your comments via the following link. <https://www.surveymonkey.co.uk/r/soymass>

We have noticed that a small number of children are being collected late from school on a regular basis, which is disruptive for the children and also puts a strain on our staffing. As of Monday 2<sup>nd</sup> October all children not collected by 3:30pm (unless of course they are in clubs) will be taken to After School Club and a £10 fee for that session will be charged.

From Monday afternoon we will be selling tickets to our school disco which will be taking place on Friday 20<sup>th</sup> October. There are more details on page 2 of this newsletter but if you are interested in helping out on the night please let someone in the main office know as soon as possible -- volunteers welcomed!

Have a wonderful weekend.
