Dear Parents,

Welcome back to the last term of this academic year; I hope you all had a good break.

As part of their IPC topic on Transport Reception visited Brooklands Museum on Wednesday. The children all enjoyed seeing the old and new style buses, bikes and aeroplanes. One plane belonged to a Sultan and the children were surprised to see that it had beds in it! They were also very excited to see Chitty Chitty Bang Bang.

On Thursday Year 2 visited the Blue Reef Aquarium in Portsmouth as part of their IPC topic on holidays. The children took part in educational tours and had hands on experiences with crabs and starfish. The weather was so nice they even had an ice-cream at the beach.

Next week is Explore Woking Week where all year groups will be learning about our local community. Throughout the week, each year group will be completing a maths trail around Goldsworth Park which will take maths into our local community. Year groups will be visiting different parts of our local area, including the Shah Jahan Mosque, The Living Planet Centre, The Light Box, Brookwood Cemetery and lots more.

Our latest total for the Nepal Earthquake Appeal is £382.58. Please keep the coppers coming in.

Please could parents spend a few minutes to complete a parental survey from the following link by 8th June? If you do enter and submit your name you will be entered into a prize draw for a family cinema ticket for 2 adults & 2 children.

We are having a few issues regarding parking. Please be considerate to our neighbours when dropping and collecting your children - remember they have to get their cars out of the road as well. The car park is for staff and taxis only - please do not park in front of the gates as this causes the traffic to back up. It is illegal to park on the zig zags in front of the school and fines have been issued by the police for doing this.
