Dear Parents,

Today's mufti day theme was 'Be a Hero' for BBC Children in Need. We saw lots of amazing costumes including Batman, Spidergirl, ninja turtles and a fireman. Our cake sale has been a great success and the money raised will be sent on to Children in Need to help a number of worthy causes. Thank you for your donations!

We also had a talent show today where some of our children showcased their skills. Lots of children auditioned and 9 acts were voted in to perform. It was great to see a traditional Indian dance, singers, a gymnastic show, a comedian, a piano player, dancers, magic maths and a human pyramid! Well done to all the children who took part.

Our Family Learning sessions have been happening all week and it has been lovely to see so many parents here to support their children in these sessions.

Wednesday was Remembrance Day and each class found different ways to remember members of the armed forces who have died in the line of duty.

Next week is Anti-Bullying week. During the week the children will talk about what is considered as teasing, whilst others may see it as bullying. They will discuss what to do if it happens to them or if they see it happening to someone they know. Bullying is described as "The repetitive, intentional hurting of one person or group by another person or group, where the relationship involves an imbalance of power". For more information, please see THE ANTI-BULLYING ALLIANCE (ABA) DEFINITION OF BULLYING (www.antibullyingalliance.org.uk)

Our new website has gone live and we are really pleased with its fresh new look. We are regularly updating the information and adding photographs so you are able to see what the children have been learning. We have also added key events onto the calendar so that you don't miss a thing.

Raffle tickets are now on sale for the class Christmas hampers. Tickets are £1 and you will be entered into the draw to win one of the 22 hampers available. Full details of each class hamper are on the back page of this newsletter.

Next week we welcome Mrs Karen Kimber as our new Office Manager. Mrs Kimber has worked for many years at Woking High, so will already be a familiar face to many of you.
