Dear Parents,

Firstly, I want to thank you all for your support at the Christmas fair last week. It was truly wonderful to see so many of you there having fun with the children. I am delighted to say that we raised nearly £2000 for new playground equipment. There were lots of stalls to enjoy and, as always, our beautiful hampers were the star of the show! Everyone enjoyed Santa arriving in a digger and we have a video of his grand entrance on our school website. We were also joined by a photographer from the Woking News and Mail and they have told us to expect to see some great pictures in next week's paper.

Some of our Year 4 children took a trip to the Lightbox today as part of their IPC unit 'Material World'. They are learning about different materials, their properties and their uses. The children were able to explore the galleries and took part in a hands-on creative workshop. The rest of the year group will visit next week.

Year 2 was very lucky this week as they had a visit from the charity 'Let's Read'. They were given a short presentation about the joy of reading and were then given an opportunity to choose a brand new book to take home and keep. We hope the children enjoy their chosen stories and are able to share them with you.

Our Year 1 children have been having swimming lessons all week. Past experience has shown that children make good progress with their swimming when practising every day for a week and this has proven to be the case again. I hope that they can continue to practise as much as possible in their free time.

Our After School Club is closing at 4pm on Friday 11<sup>th</sup> December for staff training. Please advise us if your child will be attending until 4pm or if you will be collecting them at the end of the school day at 3.15pm. This will help to assist us with staffing until 4pm. This is for one day only and sessions will resume as normal on Monday 14<sup>th</sup> December.

The children and their teachers have been working really hard this week rehearsing for their Christmas productions. Tickets have been sent out with the children and we look forward to seeing as many of you as possible next week when the children perform. At the end of the performance we will have a collection box at the back of the hall where we will be asking for donations for the Starlight charity.

## Newsletter — 4th December 2015

We are currently taking bookings for next term for our fantastic Breakfast Club and After School Club.

If you book and pay for the sessions before Friday 11<sup>th</sup> December we are able to offer them at a reduced rate!

Booking forms can be obtained from the main school office.

### Uniform Check

We have a number of children who have lost items of clothing/uniform, despite them being labelled.

Please check that you have the correct clothing for your child.

All items of uniform should be clearly labelled so that mislaid items can be given back to the owner as quickly as possible!

### Christmas Jumper Day!

Thursday 17th December

We will be supporting the Text Santa event this year by wearing our Christmas jumpers on the last day of term.

Children can come to school dressed in their festive jumper and mufti in exchange for a £1 donation. All monies collected will be passed onto the Text Santa fund which supports 'Save the Children', 'Make a Wish' and Macmillan Cancer Support'.

These are all very worthy causes.

Save the Children.
