Dear Parents,

Juniper Class performed a lovely assembly this morning based on their IPC topic Going On Holiday. The children told the story "Sharing a Shell" by Julia Donaldson which is all about teamwork.

On Wednesday Year 6 took part in an interactive workshop based on the TV programme Dragon's Den. It was run by Explore Learning tutors and was designed to support the children as they begin to think about their move to secondary school.

Thank you to everyone who completed the parent survey. We are pleased to announce that Lisa Tauyanago (parent of Simba in Holly class) is the winner of the family cinema ticket. We were thrilled with the positive comments given, which included: "wonderful school, lovely teachers"; "I feel my children are getting a good education in a stimulating and well resourced environment" and "I am looking forward to an Ofsted outstanding rating for Sythwood soon."

Some parents commented that they wanted more information about what their children are learning. On the school website under each year group, information about what is being learnt in English, maths and IPC is given. There were also some good suggestions to improve our school further, which we discussed as a Senior Leadership Team this week and are looking into. These included: widening the Infant gate; giving more homework and considering the range of clubs available.

If you have any other comments or concerns please do talk to your child's class teacher or a member of the Senior Leadership Team.

Our Summer Fair is approaching fast and we would appreciate any time you have to help with the organisation of this event. We will need help to label items for the tombolas and help to set up and clear away on the day. Please contact the office if you can help. It will be held on Saturday 11<sup>th</sup> July.

Year 6 is off on their residential trip to Hayling Island on Monday. I am sure they will have a great time.
