Dear Parents,

On Monday, we took delivery of the Living Eggs programme where ten eggs were carefully placed in an incubator with the webcam set up for the children to keep watch. On Wednesday morning, there was great excitement when two of the eggs hatched. Then on Thursday we came in to see that the remaining eight had hatched as well!

Children from Years 3 and 4 enjoyed a day full of Maths challenges at Westfield Primary School on Monday. The tasks were designed to build on the different strengths of the children and to develop their love of Maths. At the end of the day, our children were praised for their perseverance and team work. Well done all!

Yesterday we competed again in the Tag Rugby tournament at Chobham Rugby Club and we came 5<sup>th</sup> out of 21 schools. All the children played brilliantly and with so many of them being new to the sport to finish 5<sup>th</sup> is a great achievement. Leroy was highlighted as player of the tournament for Sythwood. What a fantastic result!!

Next Friday is Sport Relief day. Children can come in dressed as their favourite sports star. We'll be asking for donations of £1 which will go to the charity.

This morning, Sam and Luke, our PE teachers, gave the children information about the Sponsored Mile for Sport Relief; every child will be given a form and encouraged to ask family and friends for sponsorship.

As Year 5 are on their Legoland trip next Friday they will need to be in school uniform.

Just a reminder about Parents' evenings week commencing Monday 21<sup>st</sup> March. The appointment booking form will be live on the website from Tuesday 15<sup>th</sup> March. If you need help completing the form please come to the main office at 3.15pm on Tuesday 15<sup>th</sup> March where someone will be happy to help.

**Please remember that all clubs finish on Friday 18th March.**

**Parents can sign up for the summer term clubs on the school website after the Easter holidays.**

**Remember!**  
**Clubs finish**  
**next Friday**

On Monday our KS2 children will be given some exciting information about changes to school lunches. After a successful trial during Science Week, we have been working hard with our catering team to design a system which will allow the children more responsibility for choosing their own meals. As well as our main food choices, all junior children will have the option of a jacket potato with a variety of fillings. Our new menu will be sent home with the children on Monday and we hope the fabulous food choices will inspire your child to want to start having school meals with their friends.
