Dear Parents,

Our Year 3 football team had a tough tournament last Friday, ending up third out of five teams in their league. One stand out performance was Daniel S who scored four great goals. The Year 4 team worked extremely hard, never losing their team spirit despite tough opposition. Well done to Aljuland who played very well in defense.

This week we had Family Learning in Maths for Reception, Year 1 and Year 2 and a big thank you to everyone who came. Your support really makes a significant difference to the children's learning. Also a big thank you to the parents who took the time to fill in the evaluation forms. The responses have been overwhelmingly positive and your comments help us to plan further family learning sessions. Next week is Family Learning for Year 5, Year 4, Year 3.

On Tuesday, Mr Knights took a group of children to a Tri Golf competition at The Marist School. The children all had a wonderful time despite teeing off in hail and thunder!

Each school council member has planted a sunflower on behalf of their class. The class with the tallest sunflower will receive a prize.

### School Library Notice

We would be grateful if you could return any school reading books that your child has finished reading. Since cataloguing the library we have noticed there are a considerable number of books missing, and to replace them will be at significant cost to the school. We would also be grateful if you could donate any books, still in good condition, your children have grown out of, for the school library.

Please give to your child's class teacher.
