Dear Parents,

What a week, Yr 6 SATs are over for another year! Our **Team-Building-Brain-Fuelling-Exam-Busting-Breakfasts** went down a storm and we truly believe this gave our children the edge in settling down, feeling calm and minimising the stress exam time can bring.

A really huge THANK YOU and well done to our fantastic Year 6 teachers, Mrs D'Amario and Mrs Dexter, for all their hard work during this time. This year, over any other, with the new curriculum, has been a challenge and regardless of the recent media furore regarding the changes to testing, we are happy that our children have been given a supportive, nurturing environment where they can flourish, succeed and ultimately achieve. Of course, a big WELL DONE to all our children, they really deserved the party this afternoon.

Also this week, our Reception children enjoyed bedtime stories and songs after school on Thursday. Our topic this term is 'Why do Ladybird's have spots?'. The stories told were Monkey Puzzle, The Very Hungry Caterpillar, Suddenly! and Jack and the Beanstalk. The children were also invited to bring along their favourite story book to share with their friends.

Rowan class, today, gave an assembly about their IPC topic of rainforests. Parents and children enjoyed learning about the different animals and plants in the rainforest and the problems faced, such as deforestation. The children were able to inform parents about the importance of buying Rainforest Alliance coffee, tea and chocolate, in order to protect the beautiful rainforests and all the animals and people living in them.

Sports day this year has had a reorganisation as our numbers have grown so we have spread sports day over three afternoons, KS1 on Wednesday 6th July, KS2 on Thursday 7th July and Reception on Friday 8th July. Details of picnic lunch and specific timings to follow.

On a more serious note, please keep a close eye on your children as they leave the school grounds, remembering that the car park exit is busy at this time too.

Thank You !

We would like to say thank you to all the parents and staffs who donated books for our school library.

Please feel free to donate any books your children have finished reading at any time by passing them to your children's class teacher.

Help & Volunteers Needed

Can you donate a raffle prize?

Do you have an idea for a stall?

Volunteering doesn't have to be difficult or time-consuming, it could be as simple as spending an hour at home sticking raffle tickets on chocolate for a tombola or an hour helping set up stalls the afternoon before or minding a stall on the day or cooking and baking for our food stalls!

We are incredibly grateful to anyone who gives their time to support us, we can't do it without you! Any help is appreciated, so please get in touch.

We can't wait to hear from you.
