Dear Parents,

The school has felt quiet this week without our Year 4s, who have been on their residential trip to the JCA outdoor activity centre in Hayling Island. The day trip children went down to Hayling on Wednesday and were soon busy with buggy building. Over the three days the children have taken part in a mini Olympics, kayaking and team challenges with evening entertainment of sitting around the camp fire and a disco. I think your children will be exhausted when they come home this afternoon!

The Year 4 children who remained in school certainly didn't miss out on any fun. They took part in a range of exciting learning activities including marshmallow castles; capture the flag, making rainforest animals out of hosiery, team building games and an egg challenge game.

Year 6 children who are moving up to Woking High in September met with some of the teachers from their new school on Monday. All Year 6 children will meet with staff from their secondary schools at some point during this term and will get the opportunity to spend at least one day visiting their new school. Secondary schools have contacted parents directly with the arrangements for this.

On Wednesday, twenty four of our Year 6's were invited by Greenfields School to watch a modern version of Shakespeare. The children thoroughly enjoyed the performance and came back demanding to know more about the 400yr old bard!

Yesterday Elm class presented a beautiful assembly where the children shared what they had learnt about snails. They showed their snail collages based on Matisse's Snail, retold the story 'Snail Trail' and sang a lovely song about minibeasts (the audience found the line about ants in their pants particularly funny!).

From Monday, the whole school will be participating in Explore Woking Week where the children will be learning more about the local area and will be celebrating well-known people born in Woking. On Friday 27th May, we are delighted to invite all parents to find out about what the children have been learning. Please come to your child's classroom at 2.45pm to join the celebration. Reception parents, please come in for 2.30pm.
