Dear Parents,

Welcome back! I hope you enjoyed the summer break and that the children have settled in well to their new classes. I would also like to offer a very warm welcome to our new children and their families. I look forward to getting to know you all in the coming weeks.

As you will see, we have had a busy summer. Our Holiday Club was very popular with working parents; the children enjoyed varied activities here on site, trips out and visiting attractions like judo, archery, football, and Crocodile Encounters to name just a few.

Our new Year 5 & 6 building is almost ready, as you can see, and we hope to move in there during October half term. I've had a quick tour of the building and the classrooms inside and they really do offer exceptional facilities in a spacious, light and airy learning environment. Lucky children and teachers!

Due to reduced funding from the government, this year the school is no longer able to cover the full cost of all school trips. The governors have therefore decided to ask for a parental contribution of £10 towards each day trip and the school will fund the rest. I am hoping you will understand because if we don't received sufficient contributions then we will not be able to offer these valuable learning experiences to your children.

Our 'Meet the Teacher' sessions will start next week in your child's classroom. This is a short informal meeting where you can find out what your child will be taught during this year and other important information. Sessions start at 09:00 and will last approximately 30 minutes.

Lastly, remember that we are a non-smoking premises, this includes around the gates.

Sue Tresilian

REMINDERS!

Uniform & Lost Property

Please ensure that all items of uniform are labelled with your child's name.

Please do not use a biro as this tends to fade in the wash;
permanent marker is better

The Front Office have 2nd hand clothes and lost property but without names in clothes it's very hard to reunite with owners!

School Payments

Our preferred method of payment for school dinners, trips and Out of Hours clubs is online using your Scopay account. If you do not have account or need assistance, please ask at the main office so that we can provide you with the relevant information to set up your account.

Attendance

We have a minimum attendance target of 95%

Please try to make any appointments for your child out of school hours.

We know that this is not always possible
but your co-operation on this matter would be appreciated.

Breakfast & After School Club

We have had high demand for our Out of Hours clubs and whilst we are currently full, we are looking at increasing our numbers. Please do enquire at the main office and you can be put on a waiting list.

When places are confirmed we do need payment in full in advance.
