Dear parents,

On Tuesday, as part of their IPC topic The Magic Toymaker, Year 1 enjoyed a puppet/magic show by Joe and his amazing puppet workshop. The children learnt how to operate real Sesame Street style puppets and then made their own puppets.

Our Parents' Evening appointments will be live to book online from tonight. Go to the Sythwood website, [www.sythwood.surrey.sch.uk](http://www.sythwood.surrey.sch.uk) and click on the **Children & Families** tab, choosing **Parents' Evening**. Bookings live until Thursday 1<sup>st</sup> December, after this date, please speak to your child's class teacher.

School photos will have found their way home to you and a reminder that we need orders back by Thursday of next week, 1<sup>st</sup> December, in order to receive them back just before the end of term. Orders received after this date will incur a delivery charge.

We are excited to announce that we will be running Forest School sessions at Sythwood with Mr Levett, who has been training to get his Level 3 Forest School Qualification. Forest School is a type of outdoor education in which children visit forests/woodlands, learning personal, social and technical skills. At Sythwood, we have our fabulous copse which is the perfect place for this type of outdoor learning. Mr Levett started with a small group from Year 2 and we are hoping to extend this to all year groups over the coming months. We would welcome any volunteers who have experience in outdoor learning or an enthusiasm for environmental education.

Today our Year 4, 5 & 6 Tag Rugby teams are playing match against International School of London, results to follow!

We are proud to announce that Jo Clermont, our fantastic cook, has been presented with an award for her hard work and dedication to our school. Mrs Clermont was the only caterer to be selected by her District Manager for this honour and was invited to a very special ceremony at Watts Gallery. She doesn't want anyone to know and to make a fuss but we think she's fabulous so we hope you will all join us in saying "WELL DONE JO!!!"

School activity clubs end for the term on Friday 2<sup>nd</sup> December. We will let you know as soon as booking opens for spring term clubs in the New Year.

Dear parents, a polite reminder that when parking around the school, you must be considerate and responsible. Please do not park in front of any driveways or block other cars in.

Please note also that parking over the entrance to the school car park will create a jam and the white zig-zag lines by the school gates are to indicate that you are approaching a pedestrian crossing. It is an **offence** to stop a vehicle within the lines (except when stopping for pedestrians using the crossing).
