Dear Parents/Carers,

Welcome to our summer term and I hope you had a wonderful Easter break – wasn't the weather glorious?

The week got underway with Year 4 going on an educational visit to The Living Planet Centre, WWF as part of their IPC topic, Rainforests. The children took part in an "Amazing Amazon" workshop, using iPads to create Ebooks.

On Thursday Mr Knights talked to parents in Year 4 about the residential trip to JCA Hayling Island. I hope you found it informative and interesting. This is a very popular trip and the children always have a wonderful time.

Our Year 5 & 6 boys are playing in a cricket tournament today at West Byfleet. Match report next week.

Year 2 have been looking at the poem 'Please Mrs Butler' and writing letters of complaint to Derek Drew! Why don't you see what they thought about the poem and

Year 6 have been working really hard in their revision and the teachers are very proud of their hard work – only nine school days left until SATs! We hope your children work just as hard over the weekend and after school too!

I have been asked by members of the Brookfield Resident's Association to remind you that the grassed areas outside their flats are private property, so please do not allow your children to use them as play areas when walking to or from school. Many of our neighbours are elderly or unwell, so I ask that you show consideration to their need for privacy and peace and quiet.

We have also had residents from Tresillian Way and Watercress Way call to ask us to remind parents to be considerate when parking. I realise there are no yellow lines however, please be sure not to park in resident bays, to leave enough room at driveways and to load your children in from the kerb side, so as not to block the road.
