AUTUMN TERM  
13<sup>TH</sup> OCTOBER 2017

NEWSLETTER  
6

Dear Parents,

Our first Reading Cafes of the year have been a great success and it has been lovely to see so many families joining together to enjoy a story. Year 6 and Reception will have their Reading Cafes next week so I hope you will take the opportunity to join your child if they are in one of these year groups.

On Wednesday evening we were joined by a number of local families who are deciding which school to send their child to when they join Reception next September. It is always such a pleasure to be able to share our vision and our wonderful learning opportunities with potential new parents, and I look forward to welcoming many of them to our school next year. Please remember that if you have a child in our Nursery you will still need to apply for a place in Reception through Surrey County Council. Parents of children in Year 6 should also remember that the deadline for secondary school places is at the end of October.

Please be reminded that any children not attending a club but not collected by 3:30pm will be taken to After School Club and a charge of £10 per child may be incurred.

If your child has a new medical condition, or an existing medical condition where their needs change, please make sure you collect a form from the main office and return it to us as soon as possible.

Please make sure you read page 3 of this newsletter which gives some important information about Internet safety sessions being run by Mr Knights on Friday 20<sup>th</sup> October. Whilst your children attend the school disco (if they have bought tickets) we are offering you the chance to get savvy about safety in the virtual world of the internet and social media. Please come along but, to allow everyone to concentrate on this really important issue, please do not bring children with you.

Have a wonderful weekend.
