AUTUMN TERM
3RD NOVEMBER 2017

NEWSLETTER
8

Dear Parents,

We hope you and your children had a lovely half term; everyone certainly seems to have come back to school in high spirits and with the energy and enthusiasm to get on with some great learning.

On Tuesday, Year 1 found out lots more about Bonfire Night and the history behind it, when they took part in a Gunpowder Plot workshop. If you are visiting a fireworks event, or holding your own party, this weekend we hope you have a wonderful and safe time.

Today, as part of their IPC topic "Settlements", Year 5 has been on a trip to Weald and Downland Museum to see how different peoples' lives were in the past.

Last week we sent out information about some small changes to the way children from years 2-6 can choose their school lunches. For those of you who may have missed the email, I have re-attached the flyer as part of this newsletter.

We will be holding a mufti day to raise money for the NSPCC on Friday 24th November and with this newsletter next week you will receive more information about some special assemblies we will be holding about their "Speak Out, Stay Safe" programme. Years 5 and 6 will then take part in some workshops.

We will also be having mufti days on Friday 17th November and Friday 8th December in preparation for our Christmas market which will be held on Friday 15th December. More information will follow soon.

We had a fire drill this afternoon and I was really impressed with how quickly and sensibly everybody reacted. Fire drills are just one of the many ways we practise staying safe at school; perhaps you could use this as a trigger point for a discussion with your child about what would happen if a fire or smoke alarm went off at home.

Your opinion is really valuable to us and I hope you feel that you can always talk to us about the things you think work well, or not so well, at our school. However, we know it's not always easy for you to find time to talk to us in person, so parent surveys can also be a really useful way to hear your views about Sythwood. Please take the time to cut and paste this link <https://www.surveymonkey.co.uk/r/syth17> into your email browser and answer the 5 questions we would like your thoughts on this term.

Have a wonderful weekend.

N. A. Wilmshurst

 We would love to have your support!
 

DIARY REMINDER:
 Maple Class Assembly– Friday 10th November

Sythwood School Lunches

At Sythwood, we are very proud of the quality and variety of our school lunches and we want to make them even better.

From the 30th October there will be a slight change to school lunches for years 2 -6.

Children will be given the choice of a main/Halal meal or a jacket potato with two choices of filling (the choices will change daily).

Vegetarian meal choices will only be available for children whose parents have made us aware that their child requires vegetarian food.

We are making these changes to ensure that children are getting enough variety in their diet and to add new food combinations to the menu.
