Dear Parents/Carers,

It has been so lovely to see the sun shining again this week and for the snow to have become a distant memory. Thank you again for your patience and understanding last week.

Today we have been celebrating World Book Day and I have been, as ever, amazed by the children's enthusiasm and creativity.

Books represented in costume include The Gruffalo, Where's Wally, Frozen, Paw Patrol and The BFG (although some of our Giants weren't quite as BIG as others).

Thank you to Pine class for their fascinating and informative assembly about Ancient Egypt. It is always so rewarding to see the children share their learning and Pine class have clearly relished the opportunity to delve into history and find out so much about life in this time period which spanned over 3000 years.

Our school has agreed to take part in some research being carried out by Sport England who are running the Active Lives Survey for Children and Young People, which measures participation in sport and physical activity among children and young people in Years 1 to 11. The information collected through the survey will help Sport England to invest in opportunities for children and young people to take part in and benefit from sport and physical activity. Children in Sequoia, Pine and Juniper have been asked to take part, so if you have a child in one of those classes please check their bags for a letter containing more information.

If your child is in Juniper class we would be incredibly grateful if you could take the time to complete the parent survey as our school will get a small financial reward to use towards sporting equipment if every parent takes part. Please help us reach this goal.

The Paralympics start today and it would be great if as many children as possible could watch some of the events to see some truly remarkable achievements and to realise that life really does have no limits.

Have a lovely weekend.
