Dear Parents/Carers,

Thank you to Hawthorn class for their lovely assembly this morning about their English unit on instruction text. They gave the audience really clear and useful instructions about How to Keep Your Pet Dragon and taught us some of the grammatical features needed when writing instructions. They also demonstrated that they are able to follow instructions by dancing to "Cha Cha Slide".

Last week's Line of Pennies event was a huge success and thanks to everyone's generosity we managed to raise £221 for mental health charities. That's a lot of 1p and 2p coins!

Today our Year 1 and 2 children have been really lucky to have had the chance to meet author, Kes Gray. Kes's award winning books include the series Oi Cat, Oi Dog and Oi Frog plus Eat Your Peas and a whole host of other well known and loved children's illustrated books. Kes has been inspiring the children with his passion for writing and sharing some of his wonderful stories.

Even though our summer term has only just begun, we have already begun planning some of our events which will take place towards the end of the school year. One of our main focuses for planning is the summer fair which, this year, will take place on the afternoon of Saturday 14<sup>th</sup> July; so save the date. If you would like to help us with our preparations, or are able to help out on the day itself, please speak to Sarah Maloney or Christabel Holmes in the main office.

Yesterday we were visited by some of the Trustees of The Bourne Education Trust, the group which our school belongs to now that we have academy status. It was such a delight to show the trustees around our lovely school and I was incredibly proud to be Head of School for such a wonderful cohort of hardworking children and staff.

Next Friday our school photographer will be in to take class photos, so I really hope we can aim for a week of really high attendance with as many children here as possible.

Have a lovely weekend

**IMPORTANT INFORMATION**

If your contact details change please make sure you let us know as soon as possible. This includes changes to your address, telephone numbers and email address. It is vital that we have correct information to allow us to contact you in case of an emergency or to give you updates about events at school. Please inform a member of the office team if this affects you.

**School Gate**

We now have a new working front gate.

This gate is automatic and you **do not need to push**. At the end of the school day this gate will not be opened until 3.05pm. If you need access before this time please use the intercom at the gate

**ROAD SAFETY**

Please remember that the entrance to our carpark is VERY busy at drop off and pick up times, so it is important that children do not run across it unsupervised. Please make sure little ones stay close to you and have their hand held as they cross.

**SCHOOL UNIFORM**

Can we please remind you to label your child's school uniform and coats?

This makes getting missing items back to the owner a lot easier.
