SUMMER TERM
15TH JUNE 2018

NEWSLETTER
27

Dear Parents/Carers,

I hope you had a lovely half term and, for those of you celebrating Eid today, I hope you have had a wonderful day.

The second half of the summer term is always such a busy and exciting time; we've only been back 5 days and the amount of wonderful opportunities our children have already had is astonishing.

Reception had their first off-site school trip and went to Brooklands museum to learn about transport. Taking nearly 90 children on their first school coach trip is no mean feat, so thank you to all the staff and our amazing team of parent volunteers who shared this special day with the children.

Year 2 created their own airport as an entry point to their IPC topic about holidays; they took it so seriously they wouldn't even let me into one of their classrooms without passing through customs!

Year 3 children took part in a Palaeontology workshop called "Life Long Ago", where they learned lots of fascinating facts about dinosaurs and what life might have been like in prehistoric times. One of the highlights of the day was getting the chance to try their hand at an archaeological excavation in search of fossils.

Year 4 invited their parents into the classrooms on Thursday to look at the work they produced during their IPC topic about Rainforests. As well as the incredibly creative work they have produced in their books, parents also got the chance to see the fantastic art work which has been made by the children; everything from life size models of snakes to colourful dioramas.

Congratulations to Years 5 and 6 who have put in some excellent competitive performances this week, winning 4 out of 4 games in a Kwik Cricket competition and using their English language skills to achieve 3rd place in a spelling competition. Well done to everyone who took part, I am very proud of you all.

With so many brilliant things going on in school over the coming weeks I am delighted to say that there will be plenty of opportunity for parents to get involved, to help out, or to simply come and share our excitement about the work being produced by the children.

Have a wonderful weekend

Matheson

IMPORTANT INFORMATION

If your contact details change please make sure you let us know as soon as possible. This includes changes to your address, telephone numbers and email address. It is vital that we have correct information to allow us to contact you in case of an emergency or to give you updates about events at school. Please inform a member of the office team if this affects you.

Food Hygiene

If your child has packed lunch, please make sure they their lunchbox home from school every day. This is especially important on Fridays and before school holidays, as left lunches are a magnet for ants and pests. Any unnamed lunch boxes left in school may be thrown away.

ROAD SAFETY

Please be reminded that it is illegal to for children not to be wearing a seatbelt or to be securely fastened into and appropriate car seat in your moving cars. It is very dangerous and can lead to a fixed penalty notice and a fine.

Reporting Absences

Please make sure you phone the main office on each day that your child is absent from school.
Phone: 01483 770063
before 9:30am
