Dear Parents,

Year 5 had their swimming lessons this week and they all enjoyed being in the water, especially as the weather has been so warm. They have made great progress and I hope they can continue swimming during the summer holidays.

Our Year 1 children had a lovely walk around the lake as part of their IPC exit point. They were able to make sketches of the flowers and insects that they saw on the way around and had an interesting discussion when they got back to the classroom.

Our KS1 sports day was re-arranged from last week and I am pleased to say that despite the rain, all the children were able to compete in their relevant races.

The children from Elm class had their class assembly all about the 'journey home from Grandpa's' as they have been learning about transport this half term. They sang a song beautifully and should be very proud of all their hard work.

Our Maths Family Learning sessions were very successful and it was really nice to see so many parents attending. I hope that you enjoyed learning with your children as much as they enjoyed having you here.

We welcomed our new Reception year children this week for their third taster session before they start with us in September. It is an exciting time for everyone involved and I am sure they will settle in quickly.

If your child has a school meal then please be advised that the cost of this will be increasing to £2.15 as from September. The total cost for school meals for the first half term will be £79.55 per child and payment can be made through our online payment system.

Don't forget it is our summer fair tomorrow and it would be wonderful to see as many parents and children as possible from 12-3pm. It is a fun day with lots of activities for everyone including a BBQ, a bouncy castle, tombola and bottle hoopla.

## **Newsletter— 10th July 2015**

### Moving Up Day

On Thursday 16th July, children should be dropped off at their current class but picked up from their new class.

On Friday 17th July, children should be dropped off at their new class but picked up from their current class.

### **Year 3 Enterprise - Tuesday 14th July**

Year 3 children will be running a Healthy Eating Café during the morning and children will be able to buy healthy snacks and drinks.

We suggest they bring in a maximum of 50p per child if they would like to take part.
