Dear Parents,

This week has been 'History Week' and all of the children have been enjoying a variety of exciting workshops which have allowed them to look into the past and get an understanding of how times have changed through the centuries. We have used many outside theatre groups and experts who have a wealth of knowledge and have been able to bring history to life in many engaging and exciting ways.

Year 4 had a super Saxon workshop, Year 1's week went with a bang when they learnt about the Gunpowder Plot and Reception relived medieval times and with stories and activities about Castles, Knights & Dragons. Year 6 kept calm and carried on learning about World War 2, ending the week with a celebratory street party and Year 5 were rather good at creating terror and torment as very convincing Vikings. Year 2 didn't get a sinking feeling when they took part in a Titanic workshop but our Year 3 children have decided they would rather live in 21st Century Woking than Roman Britain.

Year 3 also got the chance to try out life in another era, this time travelling back even further in time to the Iron Age during a trip to Butser Farm. They were able to experience what a real life round house in an Iron Age settlement was like -- muddy and smelly!

Today we welcomed back Ruth Hewines on her return from maternity leave. Mrs Hewines will be teaching in Elm class with Mrs MacDonald. We will also welcome back Sarah Luff after the half term holiday.

Our official school photographer will be in school on Wednesday 4th November. If you have more than one child in school we will only take a family group photo and not individual ones. If there is any reason why you would like individual photographs as well, please let us know on Monday 2nd November.

The total cost of dinner money for the next half term will be £73.10. We encourage you to make payments online as this is a really quick and easy process. Please ask at the main office for more information.

Our Christmas Fair is fast approaching and the second page of this newsletter gives you information about our month full of Mufti Fridays.
